

AAUW Santa Clarita Valley Branch

January 12, 2015

Los Angeles County Commission for Women
500 W. Temple Street, Room B-50
Los Angeles, CA 90012

Dear Commissioners,

I am requesting grant funds of \$1,800 on behalf of the AAUW Santa Clarita Valley branch for the 2015 camp year. This funding would allow scholarships to be awarded to 2 girls to attend Tech Trek camp, a weeklong residential science and math camp held on university campuses throughout California. Last year, we were privileged to receive \$1,800 from the LACCW, which we used to send 2 local girls to camp in 2014. It is our goal to send 18 girls from throughout the Santa Clarita Valley to the camps held at Cal State Fresno in June 2015 and at UC Santa Barbara in July 2015.

AAUW is a national organization whose mission is 'Advancing equity for women and girls through advocacy, education, philanthropy and research' which is consistent with the mission and values of the LACCW. On the attached pages, I have provided information about the program, personnel information, organizational information and other requested information.

Sincerely,

MJ West

AAUW Santa Clarita Valley Tech Trek Coordinator

Mission of Organization (Purpose and Goals):

The mission of the Tech Trek program is to develop interest, excitement and self-confidence in young women who will enter 8th grade in Fall 2015. The educational program features hands-on learning opportunities in science, technology, engineering, and mathematics (STEM) in a fun and safe environment on a college campus. The teachers are fully accredited and encourage learning. Being on a college campus provides many of the girls a glimpse of a future college experience.

AAUW - Santa Clarita Valley has a goal to send 18 girls to Tech Trek camps in the summer of 2015 at UC Santa Barbara and CSU Fresno.

History of Organization and Time of Existence:

AAUW - California started the program in 1998 with one camp. The program has now grown to 10 camps throughout California and has been a model for other states to create their own Tech Trek camps. Almost 1000 girls throughout the state of California attend Tech Trek camps every summer.

AAUW- Santa Clarita Valley branch began by sending one girl to camp in 1999. We have continuously sent girls to Tech Trek camp for the past 15 years.

To date, 169 girls from throughout the Santa Clarita Valley have been sent to camp.

AAUW- SCV began a follow - on program in 2010 called STEM Stars for girls 8th through 12th grade. The STEM Stars program provides field trips for girls to meet women working in STEM careers and learn about their careers and educational requirements.

Listing of Board of Directors:

AAUW - California: Board of Directors President: Kathleen Doty - oversees all programs including Tech Trek

AAUW - CA- SPF: our Special Projects Fund is a 501c(3) tax-exempt corporation which serves as a pass-through fund, enabling state projects to collect tax-deductible donations from individuals and corporations without having to establish themselves as a separate non-profit entity.

AAUW-CA-SPF President: Elga Volbrecht

AAUW CA Tech Trek: Carol Holzgraf and Linda Stinebaugh - coordinate and assists all camps

AAUW Camp Directors: UCSB Susan Pease and Linda Stinebaugh; Fresno Rebecca Jennings, Sue Jennings and Leslie Edwards

AAUW SCV accepts nominations from teachers from all public schools throughout the Santa Clarita Valley. The girls will all have completed 7th grade (12-13 years old) and are of diverse ethnicities and economic levels.

Specific Request (i.e. monetary contribution, use of LACCW's name or logo, access to mailing resources, and/or staff assistance)

We are requesting \$1,800 to send 2 girls to a Tech Trek camp in 2015. We publicize and thank our sponsors so we like to use your name as a sponsor.

LACCW Commissioners and staff will be invited to the Awards Assembly held in the spring and the Homecoming Party held in August 2015.

Last year, Veda Ward attended our Homecoming Party to meet the campers and hear about their experiences.

We would ask permission to list LACCW as a sponsor in all our publications. Last year, we were able to list our sponsors in print media, on our website, and on our Book Lovers Luncheon program.

How will this donation benefit the organization?

The AAUW- SCV organization would be able to send 2 more girls to camp in 2015. Last year, funds received from LACCW were used to fund 2 alternates who would not have been able to attend if it weren't for your donation. These girls will be exposed to STEM studies , role models, and college life.
